

Minister Thembi Nkandimeng is conducting an oversight visit today in the eThekweni Metro Municipality, KwaZulu-Natal, following recent disasters that have severely impacted parts of the province. The visit aims to assess the extent of the damage firsthand, with Minister Nkandimeng inspecting affected areas to understand the severity and nature of the destruction.

During her visit, Minister Nkandimeng has met with the leadership of the eThekweni Municipality. This engagement provided an opportunity for a comprehensive discussion on government's current response

efforts and interventions. Additionally, she plans to engage directly with the impacted communities. This engagements is crucial for gaining insights into their needs, concerns, and experiences.
